## From the Council President

Happy New Year Good Shepherd Lutheran. I hope you all had a great Holiday Season and are ready to face the New Year with a sense of hope and optimism thanks to the Grace of our Lord. On December 9 the church council met and elected new officers for the upcoming year. Chris Zechman was reelected as President; Merritt Wichner reelected as Vice-president; and Deb Botkin reelected as Secretary. The council was also happy to welcome Marcia Morris as a member of this esteemed body. We are looking busy planning how to move the church forward. Church Council meets the **second Tuesday of each month at 7:00 PM** if you are interested in attending a meeting to see what it is we do.

I would like to take this opportunity to thank Nancy Davis, the Singing Shepherds, Shepherd's Band, Shepherd's Thespians and the Shepherd's Bells for making this advent season and Christmas services so meaningful and lovely. It was great to see Ivy Hall make her acting debut as Baby Jesus. We have so much talent in the church body. It is a joy to hear them all share their abilities with us.

The youth group also reestablished and had a couple events. It is great to see this group being active and growing.

Yours in Christ,

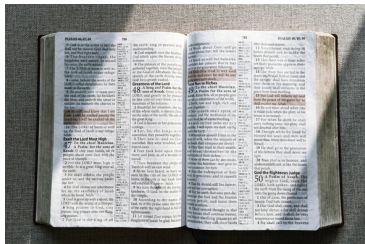

Chris Zechman

# THE CHURCH TRIUMPHANT

Our prayers are with the families of Douglas Dye, Paul Hagelberg, and Teresa King who recently passed to the Church Triumphant. God has won the battle, and these loved ones now reside in Paradise.

Well done garden team! The funds from this award were added to the Community Garden fund in May of 2025.

### **Congratulations on Completing the Garden Champion Training!**

On behalf of the Clark County Local Foods Council, we extend our heartfelt congratulations to you and your garden team for completing all four sessions of our Garden Champion Training Program!

Your dedication to learning, sharing, and growing community-driven food initiatives is inspiring. By completing this training, you've taken an essential step toward strengthening not only your garden but also our local food system. Your participation demonstrates a deep commitment to collaboration, leadership, and the well-being of our neighbors.

As a token of appreciation, your garden is receiving a **\$250 award**, included with this letter, to support your continued efforts. We hope these funds enhance your space, grow your impact, and inspire even more community involvement.

Feeding the Multitude:

*And he directed the people to sit down on the grass. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke the loaves. Then he gave them to his disciples, and they gave them to the people. They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over. The number of those who ate was about five thousand men, besides women and children.*

2025 was a very busy year for fellowship and Good Shepherds' flock. The last quarter of the year was exciting but extremely busy with Rally Day, Oktoberfest and our Thanksgiving dinner celebration (we served 58 people for this event). While we certainly did not feed 5,000 people, there was plenty of food for the flock. It was a great year with food, celebration, joy and fellowship. I want to thank all who gathered together for each fellowship event, for those who helped prepare food, those who stayed to cleanup afterward and those who brought food to share on cookie Sundays and for those who showed up early to make coffee.

Now on to bigger and better things for 2026, (I know hard to believe!)

First things first, we certainly would like to see even more people at each event including cookie Sundays. Fellowship hour begins around 9:30 (after the early service) and ends around 10:20 before the late service. Our big events/dinners are always after the late service. I would love to hear your ideas on increasing our numbers! A few ideas are listed below for contemplation. Let me know what you think!

- Bring a friend to church on cookie Sundays. I would love to change the third Sunday to "bring a friend to church Sunday", and we will feed them cookies and beverages.
- Be the lamp or light that shines: "In a certain mountain village in Europe several centuries ago (so the story goes), a nobleman wondered what legacy to leave his townspeople. At last he decided to build them a church. Nobody saw the complete plans until the church was finished. When the people gathered, they marveled at its beauty. But one noticed an incompleteness. "Where are the lamps?" he asked. "How will the church be lighted?" The nobleman smiled. Then he gave each family a lamp. "Each time you are here, the area in which you sit will be lighted. But when you are not here, some part of God's house will be dark." We miss those who have not been back to church since COVID, and in some cases we may have never met so I would love to meet you. Just imagine, every church pew full, the hymns and music ringing, so much joy and light overflowing into the street. Light your lamps and let God send you in a new direction today.

Hope to see you all soon!

Your friend in Christ Jesus

## The Quilting Room

*Unless things change quickly, there won't be a January knotting event. There are just not enough quilts finished yet. With this bitter cold , I wish there were 6 sewing machines humming and getting more quilts done. With God's help there will be more finished in January. Let us all pray for some inspiration and guidance to become dedicated to this mission. January is a long month and the Northern hemisphere is COLD. Quilts are needed.*

## Property Committee Updates

Terry Rust and Skip Warner completed the water damage repair of the ceiling and walls in the Old Sacristy. (Water damage was the result of a previously reported leaky flat roof immediately above the Old Sacristy). Pr. Don Humphrey's and Merritt Wichner provided a much-appreciated assist. Pr. Don helped with painting and Merritt worked his magic on cleaning and waxing the floor (the front foyer floors were cleaned and waxed plus all the floor mats were cleaned as well). Stop in and see the old sacristy for yourself—it looks beautiful!! The rooms ceiling was also insulated and exterior door weatherized.

The Property Committee also contracted with Landscaper, George Roarch--of Madison Ave Pharmacy fame—to work his landscaping magic on the Alley and N. Fountain Ave. flower beds. He did a beautiful job and has also agreed to continue working on these flower beds in 2026. If you haven't noticed please be sure to stop and appreciate his work.

In the December 2025 Newsletter the Property Committee made it known that a new “doorbell system” that would “flash a light” or “ring tones” to alert members of the church while in Sunday service or in choir practice or meetings after office hours would be installed and placed in the Sanctuary, overflow and kitchen areas. This has been accomplished. The “flashing light” is not as bright as desired but there are “ring tones” that are sufficiently loud to get one's attention. Instructions have been posted at each station on how to turn on or silence the “ring tones” and/or utilize the “flashing light ONLY”. At this time the overflow and kitchen areas will remain set on “ring tone” mode and the Sanctuary area will be set to “flashing light” mode but please know that any church member may make changes whenever necessary. (Thus far there have been numerous church members trained on how to change the doorbell ring tones or set to flashing light mode ONLY, but, if there are any questions or issues, please do not hesitate to contact Skip Warner.)

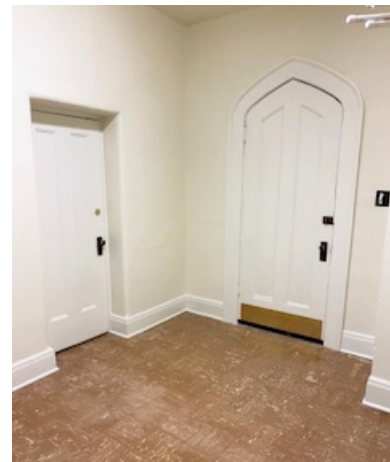

The first week in December 2025, Terry Rust and Skip Warner addressed, i.e., fixed, the Springfield Fire Marshal's findings of “some aspect of lighting failures” to four exit signs in the basement. For three of the exit signs all that was required was the fastening of a loose battery wire or “stuck” test button but one of the signs had a depleted battery so the entire sign was replaced. (FYI--it is cheaper to install a newer, modern Exit Sign than to replace an older exit sign battery—plus, the newer signs cost less to operate. Over the last few years Don Bendure and Skip Warner have been replacing the older model exit signs as the batteries have died).

Respectfully Submitted by,

Don “Skip” Warner, GSELG Property Committee Tri-Chair

# *Special Offerings*

Each month, Good Shepherd highlights one of our outreach programs, and asks the congregation to remember them with gifts to continue their missions.

These programs include, Habitat for Humanity, the Community garden, the Pastor's Discretionary Fund, and the Food Pantry.

By featuring these, it will be a gentle reminder of the work that your generous contributions make in helping others.

To make a donation, use an Special Offering envelope, found in the back of the pew, and mark it with the charity's name. You may also mail your gift to the church, be sure to note the program your donation is designated for on your check or in a note.

The outreach for January & February will benefit the **Food Pantry**.

In Christ,  
Christine Zechman
